Mr. Doug Goergens  
West End Diving  
11215 Natural Bridge Road  
Bridgeton, MO 63044

Dear Mr. Goergens,

I wanted to take this opportunity to thank you personally for the assistance you extended to our film crew at Bonne Terre mine.

I understand that you very kindly went out of your way to help them, not only from a technical point of view, but to extend your hospitality. Their visit to Bonne Terre mine will be remembered especially.

Thank you from all of us at The Cousteau Society.

Most sincerely,

Jacques-Yves Cousteau
